wallace.se@husky.neu.edu | 215-620-9206 | seanwall.github.io

Local: 1 Sachem St. Apt. 3 | Boston, MA 02115

Home: 8017 Winston Rd. | Philadelphia, PA 19118

Available: July - December 2019

## EDUCATION

**Northeastern University**, Boston, MA

September 2016-present

College of Computer and Information Science (CCIS)

*Candidate for a Bachelor of Science in Computer Science*

May 2021

GPA: 3.433/4.0

Related Courses: Software Development, Object-Oriented Design, Algorithms & Data Structures, Game AI, Database Design, Computer Systems, Discrete Structures, Fundamentals of Computer Science

Activities: *Northeastern Men's Club Ultimate Frisbee* - President

*WRBB 104.9 FM* - Student Radio Show Host

**Julia R. Masterman High School**, Philadelphia, PA

June 2016

GPA: 4.0/4.0

Related Courses: Computer Science

Activities: Ultimate Frisbee Team, Jazz Band, World Affairs Club

## SKILLS

*Languages:* Java, C#, Python, MySQL, HTML, CSS, C++

*Tools:* Git, TeamCity, JIRA

*Operating Systems:* OS X, Linux, Windows

## PROJECTS

**Robotic Arm Controlled by Wiimote**

May-April 2018

- Created logic circuit design in Simulink that generates a PWM Cycle to be used in controlling a robotic arm
- Developed C++ program that interfaces with circuit, allowing users to control multiple servos on the arm
- Modified program to take input from acceleration of a Wiimote connected via bluetooth

**Basic Animator**

October-December 2017

- Created a simple animation program in Java using the MVC design pattern
- Devised and implemented representations of shapes, animation commands, and multiple view types
- Adapted our Basic Animator design to work with code provided by other students

## EXPERIENCE

**NantHealth**, Boston, MA

July 2018-December 2018

*Engineering Intern*

- Developed Python script used daily by development team in the generation of HTTP requests, saving developers hours on manual request composition
- Updated C# program that backs up configuration files stored in a Couchbase server to provide a more informative backup of the data
- Monitored, maintained, and updated scheduled Rundeck jobs to ensure necessary files were being backed up correctly
- Migrated Couchbase data bucket to a new cluster in order to replace deprecated server

**Northeastern Men's Club Ultimate Frisbee**, Boston, MA

September 2018-present

*Northeastern Men's Ultimate Frisbee President*

- Act as liaison between the Northeastern Ultimate program and the Northeastern University Club Sports staff
- Collaborated with Treasurer in an overhaul of program dues system to address a \$10,000 fund allocation disparity across the teams
- Execute travel logistics such as booking hotels, reserving rental vans, and organizing player flights
- Collaborated with fundraising team in the planning and execution of fundraisers raising over \$1000
